

GETTING HERE

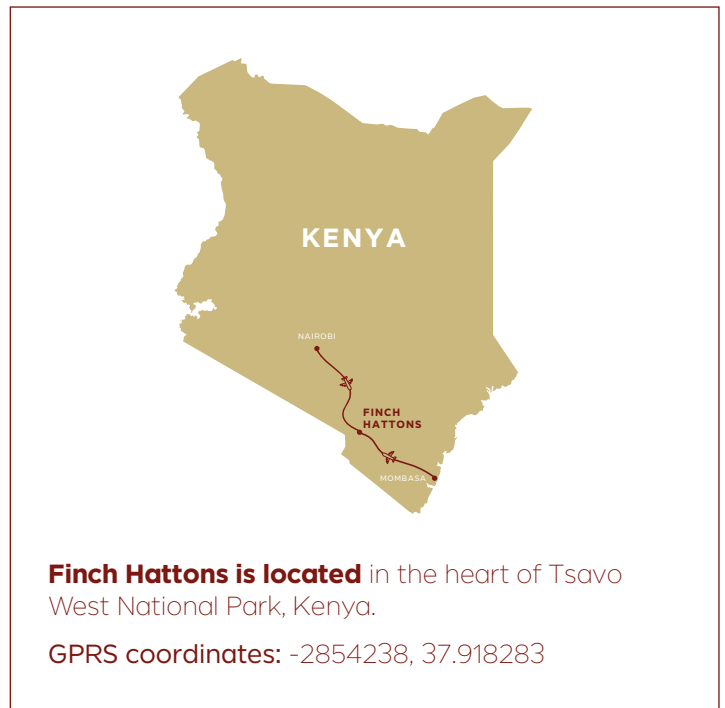

By air...

Reaching us by air is a breeze! There are daily scheduled flights from Wilson Airport in Nairobi to our private airstrip in Tsavo, operated by our trusted partners, Safarilink and Fly ALS. From there, it's just a quick 10-minute drive to Finch Hattons. If you're traveling from Mombasa, Mombasa Air offers convenient flights to our airstrip as well.

We also provide charter and helicopter flights from reputable operators upon request. Please note flight times and minimum passenger requirements are set by the scheduled flight operators and are beyond our control.

Our private airstrip is just a 50-minute flight from Wilson Airport. If your flight arrives before our 12pm check-in time, simply share your flight details with us in advance, and we'll be ready to collect you. Check-out is at 10am, but don't worry if your flight is later in the day we can securely store your luggage at the camp.

The below arrival and departure times can be subject to change, depending on weather etc.
