SON BUNYOLA

mediterranean magic

Set within the spectacular Tramuntana mountains with views of the Mediterranean Sea, Son Bunyola covers 810 acres of stunning landscape on the northwest coast of Mallorca. There really is no better place for your very own 'fiesta' than on the vast estate which is part of a UNESCO World Heritage site and includes three villas plus a brand new luxury hotel.

We understand the importance of the wow factor – so whether you're looking for a luxurious wedding venue for up to 60 people or a beautiful villa to host an intimate gathering celebrating a milestone, we will help you create memories to last a lifetime.

THE CEREMONY

Say 'I do' in the private setting of our tranquil hotel or villa gardens, with the Tramuntana mountains as your backdrop. We offer civil ceremonies too so you can formally tie the knot right here on the estate.

Besides the sprawling gardens, there are plenty of other stunning spots around the estate to exchange vows. How about in a picturesque courtyard or on one of many terraces, there's plenty of spaces to choose from.

The feast

When it comes to the food and drink for your special day or event, we can tailor it to suit your needs and make it as bespoke as you want.

Our menus have been created to celebrate local produce, using plenty of ingredients grown in the estate gardens and orchards in the most innovative of ways. Imagine dining under the stars on the hotel rooftop with your loved ones. We can create a magical feast that will be unforgettable for all.
