

A message from Sir Richard Branson

In 1978 I came to the British Virgin Islands in search of a private island to impress my partner (now wife) Joan! After climbing the hill where the Great House now sits and being stunned by the views and wildlife, we immediately fell in love with it. We've had the privilege to call this place our home for over 40 years and it never fails to inspire and re-energise us. I hope you and your guests enjoy it as much as we do. I'm sure you all will.

A taste of island life

The possibilities are endless, we can tailor-make an itinerary to best suit your group, celebration or event.

We've organised daytime beach Olympics, treasure hunts, beach parties, pirate evenings, casino nights, James Bond themed parties, through to seven-course gastronomic feasts.

A typical night might look like this... a local Caribbean band to get you grooving, the beach pool decorated with lanterns and flares, and you partying the night away with a DJ by the bonfire.

If there's talking to be done, Necker is a calm oasis for hosting content sessions. The Beach House, Great House and Temple House can seat up to 40 people, or why not have a breakfast meeting on the rooftop terrace al fresco style!

Explore our sample itinerary to get a glimpse of the island life that awaits you and your party.

DAY ONE

Arrive at Necker Island via speedboat (naturally). Be prepared for some serious indulging of fine food, drinks and fun. Take a dip in the pool at the Great House whilst the team serves drinks from the bar. Kick start your stay with a relaxing dinner and live music from a local Caribbean band.

DAY TWO

Start exploring. Get to know your home whilst soaking up the views on a guided island walk. Then spend the afternoon learning how to sail, kitesurf, water ski or kayak with one of our watersports instructors. Watch the sunset, with a glass of champagne of course, and then head down to a BBQ dinner on Turtle Beach.

DAY THREE

Meet the stunning array of wildlife, from lemurs to flamingos and the giant tortoises, you can even help with feeding time. Work up a sweat with a mini tennis tournament before lunch, and then spend the afternoon being pampered with a spa treatment. Dress to impress, get ready for pre-dinner cocktails, James Bond style! The bar will be lined with martini glasses and the Great House set up for a night of casino games.

DAY FOUR

Have a little 'me' time and soak up the sun in a hammock or on a lounger. Lunch will be served down at the pool from our famous Floating Sushi Kayak – accompanied with chilled shots of sake of course! Spend the afternoon racing around the island aboard ringoes, and Hobie Cats. Tonight is party night, dinner is on Main Beach followed by drinks & a DJ under the stars.

DAY FIVE

Start the day with yoga on the rooftop before heading down to the beach for a spot of snorkelling. Watch the flamingos fly overhead, with a cocktail (or two) in hand, as lunch is prepared on Turtle Beach. Your last evening is more relaxed with a candlelit dinner on the roof terrace overlooking the sea.

All itineraries are tailor-made. Off island trips can also be arranged for an additional cost.

Let us entertain you

If you fancy singing the night away, we'll bring the mics for karaoke night, or if you're keen to play a game or two there's always casino night - let us know and we'd be happy to organise just about anything to make your celebration or event even more special.
