## weddings

### THE CEREMONY

Say 'I do' with the Atlas Mountains as your backdrop on the Roof Terrace, a favourite spot for couples to host ceremonies for larger groups.

For those seeking a more intimate experience, celebrate with your partner in one of our Berber Tents offering an authentic Moroccan twist.

Our View Point is the perfect location for those seeking the 'wow' factor. Overlooking the valley, surrounded by olive and eucalyptus trees, we'll set up a traditional Moroccan ceremony with cushions, flowers and rugs. A beautiful and romantic blessing, just for two.

### NEED TO KNOW

Unless you are of Moroccan nationality, you will need to have the legal wedding papers organised in your home country. However, we are able to perform beautiful Wedding Blessings and celebrations to commemorate your special day.

## the feast

From traditional Berber feasts, to a relaxed buffet style dinner, we can work with you to create the perfect menu for your guests to enjoy during their stay.

When it comes to private dining locations, Kasbah Tamadot has many hidden gems. You can dine under the stars just the two of you on the Roof Terrace, or enjoy a romantic newlyweds supper out on the Honeymoon Terrace.

Our Gala dinner is the perfect set up for larger parties and is included in the exclusive use rate. The evening includes a welcome cocktail or sparkling wine, with a selection of canapes, followed by a four-course meal. With tables surrounding the outdoor pool area, or in the Kanoun or Asayss restaurants, choose between Moroccan cuisine and a tasting of international dishes for your evening dinner.

## the party

You and your guests can continue celebrating the special occasion with a variety of options and settings.

The Roof Terrace is a beautiful location for couples to make a toast together and enjoy an evening celebration under the starlit sky.

The Pool Bar is the perfect spot for a larger cocktail reception, while the Reflecting Pool sprinkled with rose petals is ideal for a romantic celebration with close family and friends.

## the details

Our team will be on hand to make sure everything goes smoothly when it comes to the big day.

For parties over 30 guests we highly recommend having your own event planner to help with those all important details. We work closely with a handful of planners who we trust and have years of experience.

From flowers and decorations, to music and entertainment, photographers, videographers, and setting up the venue exactly as you'd like it - the experts can take care of it all. Not forgetting those all important travel arrangements for your guests.
